Re: 6.25% Federal Excise Transportation Tax
Year 2008

In an effort to update our files, we find it necessary to request your cooperation in completing this form. We ask for your immediate reply, if possible. If we do not have a current Exemption Certificate on file signed by an authorized representative of your company when billing for our air charter services, we will assume your company is on a taxable basis, and bill accordingly. If you are exempt of this tax, this form will allow us to invoice you without including this tax.

If you are a taxable customer, we would still like to have a form on file indicating you request IFL Group, Inc. to bill and collect the 6.25% Federal Excise Transportation Tax from your company.

Please return this form via fax to my attention as soon as possible at (248) 666-9618. Thank you for your cooperation.

Sincerely,

Dawn Warner
